

From: GGAA Constitution Review and Consolidation
Committee
To: Hon. Omega Karla
Chairman, GGAA National Board of Directors
Purpose: Presentation of final draft of “Reviewed and
Consolidated” Constitution
Date: March 30, 2024

Dear Hon. Karla:

We bring you greetings from the **Constitution Review and Consolidated Committee** of the Grand Gedeh Association in the Americas, Inc. We must thank you and members of the National Board for giving us the opportunity to serve our people in this manner. We are delighted to share our knowledge and expertise.

Hon. Karla, our committee was appointed on September 2, 2023, and tasked to “Review” and “Consolidate” the original Constitution and the draft Constitution submitted to the Board by the Kai Wleh Committee. We have done our work. We are pleased to present to you the finished product of our review and consolidation document.

We must thank you again and please feel free to refer to us if you have any questions. This Committee is prepared to present its finished work at the pending National Conference, during which the Committee will have the opportunity to provide a the platform for members to discuss and adopt the Constitution. Here is a plan for the adoption process:

- 1. Reading of the articles and sections**
- 2. Making corrections there and then and reading the corrections to the body for clarity**
- 3. Presenting the conference’s final and edited document to the Board for adoption voting**

Thank you and may God bless our union.
